

KOONUNG

Secondary College

November 2021

Dear Parents/Carers

Welcome to the Koonung Secondary College community and thank you in anticipation for your support of our College and the programs we offer to students. Koonung is a neighbourhood school offering:

- A challenging and innovative curriculum designed to maximise the academic potential and personal skills of each child
- Strong student engagement and wellbeing, based on the rights of individual students and supported by welfare and discipline policies
- A diverse range of programs benefitting all students at all year levels and
- A high performing College on a single site.

While the State Government supplies most of the school's funding, it is not sufficient to meet all the costs of the College's programs. As you are probably aware, all schools are dependent on locally raised funds to supplement State Government funding for curriculum programs and school services and resources. Locally raised funds in the form of voluntary parent contributions are thus essential for the operation of the school's extended learning program, specialist staff and the purchase of additional equipment.

For the 2022 school year, the College Council and staff have again made a commitment to all students by allocating funds to supplement and build upon the many curricular and co-curricular programs we offer, such as instrumental music, sport, language, literacy, numeracy and pastoral care. Funds have also been committed to the further development and improvement of learning technologies and facilities including multimedia equipment, the Compass learning management system and support for the notebook program. In addition, the school nurse and school counsellors are funded through locally raised funds.

The science and food technology facility upgrade is an example of what can be achieved with your support through donations to the Building Fund, which are tax deductible. With the first stage of the College Capital Works program nearing completion, there will be a range of opportunities to enhance the fit-out of the new wing, which the Building Fund will enable.

The Department of Education and Training (DET) Parent Payment Policy provides advice on the different types of payments that schools may request from parents. For further information on the Department's Parent Payments Policy, please see the overview attached.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary: you may nominate any amount that you wish to contribute. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

KOONUNG

Secondary College

Parent contributions are detailed in multiple components to provide you with clarity as to their intended allocation.

The curriculum component supports the increasing demands of special programs such as:

- Active and varied involvement in School Sport Victoria sporting competitions
- Vibrant, well resourced Visual and Performing Arts programs
- Year 9 Live Life Program
- Years 9 and 10 Elective Program
- Continued support of senior students through the provision of specialised counselling in careers, pathways, tutors, mentors and guest presenters.

The Computer Technical Support contribution enables us to continue employing technology support staff to support the school's servers and wireless networks, website, information, communication and technology facilities (including the Compass system) and more than 1,300 notebooks, tablets and other devices allocated to students and staff, as well as providing funds to enter into lease agreements for the continual updating of hardware.

Our innovative 'Learning on Line' fund appeal (Library Fund), designed to enhance student access to learning technologies, has received wonderful support from parents since 1997. Donations to the Library Fund are also tax deductible.

All voluntary parent contributions are spent on student programs, specialist staff and facilities and everyone benefits from the contributions. When everyone contributes, the collective effect is very powerful.

We are aware of the continuing financial burden on families. However, it cannot be too strongly stressed that the viability of many of our innovative programs in 2022 is dependent on your support via the payment of voluntary parent contributions. The Principal and the Business Manager are available if you wish to discuss any matters concerning payment. College Council relies upon and thanks you for your continued support.

Yours sincerely

Geoff Spicer
College Council President

Marianne Lee
Principal

Educational items for students to own

Please refer to the Campion Year 7 booklist and the ICT information handbook for a list of items that the school recommends you purchase for your child to individually own and use.

Extra-curricular items and activities

Koonung Secondary College offers a range of items and activities that enhance or broaden the educational experience of students and are above and beyond what the College provides to deliver the Curriculum. These are provided on a user-pays basis.

If you would like your child to participate in these activities, please make your payment via Compass.

Extra-Curricular Items and Activities	Amount
Year 7 school camp (approximate cost, TBA)	\$370
Year 7 instrumental music lessons	\$650
Other Year 7 activities (to be scheduled)	TBA

Preferred payment method (contactless):

Compass: using your ID and password to login to the Compass website
<https://koonung-vic.compass.education/login.aspx>

Other: Please email or call for alternative payment arrangements:
koonung.sc@education.vic.gov.au
9890 9662

Financial support for families

Koonung Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund (CSEF)
- Second hand uniform shop (on school premises and open Friday afternoon each week)
- Second hand book sale (on school premises and held at the end of year)
- State Schools Relief support available for uniforms/footwear/calculators/textbooks
- Local community supports (the Wellbeing team can provide further information)

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, please contact:

Tracie Edgell
Assistant Business Manager

Ph: 03 9890 9662 | Email: tracie.edgell@education.vic.gov.au

Refunds

Our College will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account the individual circumstances. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
