

KOONUNG

Secondary College

Dear Parent/Carer

Koonung Secondary College is a school which caters for students with differing abilities and interests.

We encourage students to develop at their own pace and we celebrate their different talents and skills. Students who are highly able often have needs which require special attention, and it is for this reason that the Select Entry Enhancement at Koonung (SEE@K) class has been introduced.

The SEE@K class caters for students in Years 7 to 9. It is a class which allows students to progress through school with their age-peers. Students' learning in core subjects is both accelerated and enhanced with rich tasks and challenging texts, which promote a sophisticated academic outlook.

Selection for the 2027 SEE@K program will occur through an Edutest examination which will be conducted onsite at the College on **Saturday 12 September**.

Registration for the test must be made at: <https://aus.edutest.com.au/D/?t=y134fta7>

Registration closes on Friday 4 September 2026 after which a late fee is payable.

Please note:

- To be considered for the 2027 Year 7 intake of SEE@K, a student must be enrolled at Koonung Secondary College prior to completing the registration
- Undertaking the SEE@K Edutest is **not compulsory** for enrolment at Koonung Secondary College
- Any questions about the style and composition of the test should be directed to Edutest
- Further details regarding the organisation of the test will be emailed to all applicants a week prior to the actual test.

If you have any further queries regarding this program, please contact Lydia Tomic via email.

Yours sincerely

Lydia Tomic
