

Senior School at Koonung Secondary College

The Senior School at Koonung Secondary College cares for the academic progress and wellbeing of all students in Years 10, 11 and 12. Once students enter the Senior School, their academic load focuses on the core subjects of English and Maths, while allowing students to choose a range of elective subjects that teach the knowledge and skills necessary for a successful VCE program. The student experience at Koonung Secondary College is designed to be a holistic experience where academic rigour is coupled with the ability to undertake a number of extra-curricular activities across sport, leadership, community development, and the creative arts. Students also receive dedicated support from the Careers team in mapping out a pathway to tertiary education and employment.

Senior School Snapshots

Year 10 Work Experience

As part of the Year 10 curriculum, students have the opportunity to partake in our Work Experience program during the month of June. In 2020 our students are attending a range of different workplaces in industries that interest them as a possible future pathway. Examples include the Magistrates Court of Victoria, Austin Hospital and major firms such as Minter Ellison in the CBD.

Senior Study Centre

The Senior Study Centre is an open, comfortable area for private study for Senior School students to meet with VCE teachers after school for assistance with their subjects. The Senior Study Centre is also where Year 11 and 12 students can join together for study periods and enjoy their lunch and enjoy each other's company.

Senior School Tours

Students in the Senior School have a number of international tours available to them including the Japanese Language Tour, the French Language Tour and World Challenge which, in 2020, will be visiting both Swaziland and Mozambique.
