FAQs

# Frequently Asked Questions

## When will my order be delivered?

**Delivery before cutoff**: if you ordered prior to your school's order-by date, delivery for available items is scheduled for late January before school starts, or in term 4 of this year (2026) if part of an early resource list (e.g. 10-12 or IB).
**Standard delivery:** If you ordered delivery after the cutoff, we will get your parcel including all available items handed over to Australia Post as soon as we can.

## Can I combine delivery costs for multiple children?

At Campion, each child's order is packed separately by year level to keep items accurate, avoid mix-ups, and deliver faster – and it means you don't have to sort out which books belong to which child at home. Because orders are processed individually, we are unfortunately not able to combine delivery costs. To keep delivery as affordable as possible, we recommend ordering by your school's order-by date.

## Can I go in store to order and pick up my child's resources?

Absolutely – if you prefer, you can visit a local Campion store to pick up resources for your children. We also have Click & Collect options available for some stores at certain times of the season; if available you will see this option via the *Checkout* page on the online ordering site.

## How can I set up my child's digital resources?

If you have selected digital resources in your Campion order, we will send a follow up email outlining the steps to activate and access that digital resource; the process will vary based on whether your child's school uses MyConnect2 or not. For more information, please go to: Ordering & Accessing Digital Products on the Campion website or scan the adjacent QR code.
